## SERVICES

### 1. Veterinary

Tyrrells Equine Clinic  
Tel: 01763 287744

Any owner may request a Veterinary Surgeon of their own choice to attend his/her horse at Holme Park Stud (HPS) and in such case the Owner or a representative must prepare the horse and accompany the Veterinary Surgeon on all such visits. In the event of emergency, injury or illness, horses will be treated at the discretion of HPS, either by the above or a Veterinary Surgeon of their choice. Owners are directly responsible for paying all expenses incurred for veterinary visits, examinations, treatments and medicines.

### 2. Farrier – Matthew Bradley

All horses' shoeing, and hoof trimming requirements will be attended as required. Charges for these services (which are at the discretion of the Farrier), will be added by HPS to the Clients' monthly invoices. Owners wishing to use a farrier of their own choice must make their own arrangements and accompany the farrier during such visits.

### 3. Worming, Veterinary First Aid and Immunisations

HPS will at the (Owner's expense), administer a de-worming medicine to all horses on arrival and periodically as due thereafter. Unless otherwise agreed in advance with the owner, the type and brand of medicine will be determined by HPS. Regular worm Counts will be carried out on all horses and horses only wormed if required. Costs recharged to owner.

First Aid items / medicines used by HPS in the treatment of horses will be charged to Owners at the normal retail price.

All Horses at HPS will require to be immunized against Equine Influenza and Tetanus. Vaccination Certificates will be held by HPS and Owners reminded of renewal dates. Unless otherwise advised to HPS by the Owners, arrangements will be made by HPS for inoculations to be updated at the Owner's expense.

### 4. Terms and Conditions

**a. Liability:** HPS will take every care to ensure that all horses receive the best possible care and attention, however Owner's leave their horses in the care of HPS entirely at their own risk. HPS cannot accept liability for injury, illness, or death to either the horse or the owner/rider, howsoever caused, while at livery and using the Stud's facilities. It is recommended that insurance is taken to cover the horse and personal accident.

**b. Payments:** All livery fees are payable monthly in advance, the first payment being due on the horses arrival. Livery charges and all other expenses will then be invoiced monthly and become due for payment within 7 days of the invoice date. All accounts will be paid up to date before the horse is allowed to leave the yard. One month's notice of leaving is required with payment due in lieu if departing in less than a month. In the case of unpaid livery exceeding 60 days overdue, Holme Park Stud have the right to lien and can retain horse or equipment and sell such items as required to pay the debt. Should funds be raised through a sale in excess of the debt due and costs incurred this amount will be returned to the owner, or if the horse is still at livery, retained as a deposit against future livery costs.

**c. Damage:** Should a livery horse cause major damage to property or equipment at HPS the cost of repair may be re-invoiced to the owner on the next monthly livery bill. Normal wear and tear will be covered by HPS eg: occasional broken fence rails

**5. Disclaimers**

All clients that will be either handling or riding horses at HPS do so at their own risk. Every care is taken to ensure safety but Holme Park Stud cannot accept liability for personal injury. Mares for foaling will be monitored and every effort will be made to deliver a live healthy foal but no liability can be accepted for foaling problems that are out of our control.

**6. Visiting Mares to Stud**

Our daily livery for mares at stud includes scanning and AI. Any materials or drugs used or External veterinary charges will be charged extra. AI will be carried out by our qualified AI technicians. If you prefer the scanning to be carried out by a vet this will be recharged accordingly – please Indicate below.

Confirmation of Pregnancy Diagnosis will be carried out by a vet and charged accordingly.

**7. Access to Holme Park Stud**

Regular Monthly Livery clients will be loaned a Gate Zapper so that they have access to the Security entrance gates at Holme Park Stud. This Zapper remains the property of Holme Park Stud and must be returned at the request of HPS or when your livery contract is terminated. A deposit of £50 will be charged on the first month’s livery invoice and will be refunded when the zapper is returned. Should the zapper be lost or broken the cost of replacement is £50.

You are welcome to visit your horse at any time but we would be grateful if you could telephone us prior to visiting so that we can ensure you have no problem gaining access. Should you require access to the tack room out of work hours please liaise with our Stud Manager to arrange this. Normal working hours for our grooms are 7.30am – 5pm 7 days a week. If you require to ride or visit your horse outside these hours please arrange with our Head Girl.

**Visiting Mares:** I understand that every care will be taken to ensure the health and wellbeing of my mare however I agree that I will not hold them responsible in the unlikely event of any injury.

I would like all scanning carried out by a qualified veterinary surgeon which I agree will be chargeable.

Please select one of these options.
